We will attempt to reach you at a home phone number and/or an alternate number if one is provided to confirm your scheduled reserved time. If we cannot contact you, ***it is your responsibility to verbally confirm all appointment*** with us at least 24 hours in advance to guarantee that you will be seen. In addition, we request at least a 48-hour notice for any cancellations when possible. This may be done at any time using our answering service.

Unconfirmed appointments or a late arrival may have to be rescheduled. We reserve the right to no longer offer our services to patients that fail to show for dental appointments.

If you have a change in your contact phone numbers or a change of address, please let our office know as soon as possible.

To better serve you and all of our patients, we appreciate your cooperation and understanding the necessity for this policy.
